

## **SAFE VENUE TEMPORARY SECURITY MEASURES FOR COVID-19**

Our venue follows the current COVID-19 guidelines for the operation of hotels/venues/guesthouses in Poland issued on April 29, 2020 by the Ministry of Economic Development and approved by the Chief Sanitary Inspector (GIS).

In order to keep our Guests and employees safe, we have introduced temporary procedures aimed at minimizing the risk of the coronavirus infection. Please read and observe the following guidelines. Thank you for your understanding. The following regulations are effective until further notice.

- It is not possible to spend your obligatory quarantine in our venue.
- All our employees have been properly instructed and obliged to follow personal protection procedures and extra hygiene measures.
- Only guests of Villa Luna and our employees are allowed to stay on the premises. Concerning a temporary modification of the point **2**
- Check-ins take place individually, with only one person allowed at the reception at a time.
- The entrance, the reception and breakfast areas are equipped with disinfectants. Disposable gloves are available only in the entrance area.
- The general access areas (corridors, toilets, staircase) are regularly disinfected.
- The disinfection of the rooms is carried out after every guest's stay including ozone treatment.
- Hand disinfectant is available in each en-suite bathroom.
- It is obligatory to wear a mask in the breakfast area, which serves breakfast in the form of a buffet. The breakfast area allows a limited number of people, therefore we have introduced special breakfast hours for every room separately. We can also deliver breakfast to your room upon demand. Concerning a temporary modification of the point **3**
- Kids' play area on Floor 3 is closed until further notice. Concerning a temporary modification of the point **4**
- We regularly monitor the health condition of our employees before every workday.

*Thank you for your understanding. Stay safe!*
